Re: Catclaw Draw Unit Com
Well No. 16
Eddy County, New Mexico

Dear Mr. Gressett:

Per our telecon of January 4, 1982 Mr. Bill Swift of Cabot Corporation confirms that Cabot and not Llano, Inc. is taking gas from the wellhead on the above. Enclosed, therefore, is a C-104 showing transporters as Cabot Corporation and the previously reported Gas Company of New Mexico.

If you need further information please let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read "Anita Gray".
