Dear Mr. Gressett:

Reference is made to your letter to us dated June 2, 1981. Our office made an error and did not submit our BOP specifications when originally filing the Application for Permit to Drill the above captioned well. Therefore, we are enclosing herewith our BOP program which should clarify this matter. In reference to whether the gas is dedicated to a purchaser, please be advised that it is not.

If we may be of further assistance please contact us once again.

Yours truly,

EAGLE OIL & GAS CO.
