Gentlemen:

To date this office has received no reports on the subject well subsequent to the Permit to Drill.

Please submit the following reports to bring our records up to date.

1. Form C-103 reporting the hour and date the well was spudded and showing the setting and cementing of the surface and intermediate casing with all of the required information thereon.
2. Form C-103 Notice of Intent to P&A with all of the proposed plugs.
3. Form C-103 Subsequent Report of P&A.
4. Form C-105 Well Completion Report and Log and a finished print of each log run, and a summary of all test conducted including the drill stem tests.

If you have any questions concerning this matter please feel free to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. A. Gressett".
