

DOCKET 9/1/82

CASE 7568

Dick Shanks - examine

The Petroleum Corp of Texas - Superior Federal #6-N 6-20-29

Evidence indicates Strawn could be oil well - Case to be continued
They had 90 day testing period ends 9/10/82
Dick granted Temp Allowance Strawn to continue

Pet Corp of Tex has asked for a Dual Completion on this well
morrow to be produced exp Techni
Strawn thru Csg Annular

1st heard 5/12/82 - Case 7568 - Strawn indicated it could
be classified as an oil well - 90 day test permit.

We need to set up and witness a Packoff Leakage Test -
Collect Fluid Samples from Well Zone for Dan Witten
- The Packoff Leakage Test that Pet Corp had in Santa Fe
on 9/1/82 bearing looked "strange" as quoted by
Dick
