(Note: Report results of multiple completion on Well  
Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Bass Enterprises Production Company respectfully requests approval to extend temporarily abandonment status on the referenced well. Currently the well is unable to produce at economical rates. The Atoka formation is being evaluated for recompletion. Work was expected to begin in Mid-March 2000 but was unable to be performed. Work is expected to begin by January 2001.
