Re: Proposed Water Well
N/2 of Section 30,
T-22-S, R-25-E, NMPM,
Eddy County, New Mexico

Gentlemen:

Glenn Cope, President of Uriah Exploration, Inc., would like to drill a water well on the captioned land, for water supply to the Uriah Federal 30-1 Comm., while drilling operations are underway.

This proposed well will be drilled to an approximate depth of 200', bore hole size will be 7 and 7/8 inches, with 5 1/2" casing cemented from Total Depth to Surface.

It is crucial that we are granted approval as soon as you receive this request, because the drilling rig is moving in on location. Notify Mr. Glenn Cope at (915) 684-7827 for approval.

Your prompt attention and cooperation will be appreciated.

Best Regards,

Scott A. Bryant
