Re: C-115

Gentlemen:

We are in receipt of the required Multi-Point Back Pressure test as required by Division Rule 401.

However, to date, we have not received the above mentioned forms for the months of July, August or September, 1982, (C-115).

These reports are to be postmarked no later than the 24th day of the next succeeding month. Failure of an operator to file this report in accordance with the provisions of Rule 1115 may result in cancellation of Form C-104 (Request for Allowable) for the affected well or wells.

Unless this form is received by November 15, 1982, your allowable may cancelled.

Very truly yours,
