Gentlemen:

We are in receipt of Form C-115 for July, August, September, and October, 1982 for the above captioned well.

However, in checking the file on this well, we found that El Paso Natural Gas has been transporting since April 28, 1982.

Please file a Form C-104 showing El Paso Natural Gas as the transporter, also amended C-115's showing El Paso Natural Gas the transporter.

Unless the above requested information is received by December 15, 1982, we will notify El Paso Natural Gas and cancel your allowable.

Very truly yours,

*Leslie A. Clements*
