

OATH & STATEMENT WITH RESPECT TO APPLICATION
FOR DETERMINATION OF THE TXO Challenger Rayroux #1 WELL,
Eddy COUNTY, New Mexico, IN DOCKET NO. RECEIVED BY

MAR 16 1984

O. C. D.

ARTESIA, OFFICE

Applicant States:

- (A) that the surface drilling of the well for which it seeks a determination was begun on or after February 19, 1977;
- (B) that the well satisfies any applicable federal or state well spacing requirements;
- (C) that, except as provided in paragraph (f) of Section 274.204, the well is not within a state law proration unit as defined in Section 271.305(a)(2):
 - (1) which was in existence at the time the surface drilling of the well was begun;
 - (2) which was applicable to the reservoir from which such natural gas is produced; and
 - (3) which applied to any other well which either produced natural gas in commercial quantities or the surface drilling of which was begun before February 19, 1977, and was thereafter capable of producing natural gas in commercial quantities;
- (D) that on the basis of the documents submitted in this application, it has concluded that to the best of its information, knowledge and belief the natural gas to be produced and for which it seeks a determination is from a new onshore production well;
- (E) that it has no knowledge of any other information which is inconsistent with its conclusion;

Respectfully submitted,

TXO Production Corp.
