Re: State GW Com
#2-J-36-20-27
Wildcat Bone Springs Pool

Gentlemen:

Please be aware that Division Rule 107 requires that a minimum waiting on cement time is 18 hours.

Further, all casing strings are to be tested 30 minutes with a minimum pressure of 600 psi.

If MWJ Producing Co. persists cutting waiting on cement time, this matter will be turned over to our legal department for punitive action.

Very truly yours,

Leslie A. Clements
Leslie A. Clements
