Re: Lease No. NM-15873
Doris Federal #2
Section 26, T20S, R28E
Eddy County, New Mexico

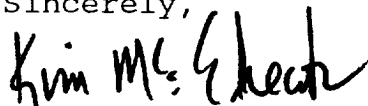

Gentlemen:

This letter is in response to Order No. R-9210 Temporarily Abandoned Wells, copy attached. The subject well was drilled in July, 1984. Completion attempts in Bone Springs and Delaware were unsuccessful. The well was TA'd in January, 1985.

There are no plans to restore production to the well at this time, the well will either be sold or plugged and abandoned in 1991.

Please advise if additional information is required.

Sincerely,

Kim McElreath
District Engineer
