Gentlemen:

This is in response to Order No. R-9210 Temporarily Abandoned wells, copy attached. The Bone Springs was plugged back October 29, 1985 and recompleted to Delaware. A Sundry Notice, Form 3160-5, was filed with the Bureau of Land Management reporting the plug back of the Bone Springs, copy attached. The well is presently producing from Delaware.

Please advise if additional information is required.

Sincerely,
