IF YOU WOULD LET HER KNOW, I WOULD APPRECIATED IT, THAT WAY YOU CAN LET HER KNOW THAT IT CAME FROM THE ATTORNEY

I just spoke to David Brooks regarding you e-mail for cancellation from Aroc to Dwight Tipton and Mr. Brooks said that since we already approved it to let it sit as it is and when they submit the bonding for Tipton Acquisitions then they have to do the change of operator procedure to the new company once again. Please let Debbie know or I can . Thanks.
