Dear Mr. Whitlock:

Please accept this letter as Tom Brown, Inc. "Notice of Intent" as to the Plugging and Abandoning of the above-mentioned wells. We are in the process of putting together AFE's and procedures for this action. Sundry notices will follow as soon as the procedures are laid out.

Also, we are forwarding under today's' date, the pressure charts on the Stott Fed 1 and 2. Tom Brown, Inc. is still evaluating this area for future production, therefore, we are asking for an extension of the TA status on both of these wells.

If you need additional information, please do not hesitate to contact me.

Very truly yours,

Darlene Hill  
Prod. Analyst
