13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

- Well was drilled by Exxon in July 1985 and has been subsequently shut-in, waiting on pipeline. Exxon named the well Nasser Federal #1. The well was sold to JFG Enterprises in Artesia.
- In August 1994, Stevens & Tull, Inc. purchased this well from JFG Enterprises. Since Stevens & Tull, Inc. already has a well with the same name, we request that the JFG-Nasser Federal Well #1 be changed to the Stevens & Tull, Inc. Hilltop Federal #1.
