Gentlemen:

This is to advise that on January 28, 1987 the Tuesday A Federal #1 Wolf Camp gas well located in Unit E of Section 3, Township 20, Range 37, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to the line being tied up stream of our meter (68-275-01) Tuesday Federal #1 Wolf Camp.

Yours truly,

  
Bill G. Lane  
System Gas Control
