Please find enclosed a new copy of the above-captioned. It is to replace the original plat that was sent with the APD which was mailed yesterday. Due to drainage problems, the location was moved 100' further south from the original location. This places the location at 2410' FNL & 2310' FEL of Sec.6-T22S-R24E.

If you have any questions, please contact Ron Brown at (505) 625-8760.
