Re: Shafer Federal Comm Redrill
Section 35, T21S, R24E
Eddy County, New Mexico

Gentlemen:

The Shafer Federal Comm #1 was temporarily abandoned July 14, 1989, the original surface and bottom hole locations were on fee lands. We plan to use the same surface location, existing roads, and hole, surface use and right of way have been approved. The bottom hole location will be on Federal lands. We have a cash bond in place with the New Mexico Oil Conservation Division.

Should you have any questions, please contact me. Thank you for your cooperation concerning this matter.

Sincerely yours,

Steve Sell
