Dual Completion 14-T20S-R29E

Gentlemen:

Pursuant to your request to notify the offset operators of Yates Petroleum desire to dual complete the referenced Zia ZS Fed Com #1 in Morrow and Strawn formations please find attached waivers from these operators. These waivers signify that they have no objection in the dual completion and should complete your request to dual the well.

As per my letter of April 6, 1990, we are requesting administrative approval for dual completion. We would appreciate your expediting this approval.

Sincerely yours,

Paul Ragsdale
