(Note: Report results of multiple completion on Well Completion or Recompletion Report Log form.)

13. Described proposed or Completed operations (clearly state all pertinent details, and give pertinent dates, including estimated date of stating any proposed work. If well is directionally drilled, give susurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Yates Petroleum Corporation is submitting application for produced water from the above well pursuant to NTL-2B, Section II, and requests your approval. The above well produces approximately 66 bbls of water per day from the Burton Flats Strawn East formation. The water is stored in a 210 barrell stock tank and pipelined to the Tuesday Weld Federal #1 SWD owned by Sieta Oil in Roswell.

A water analysis is attached.
