Lost Tank Delaware Pool

Gentlemen:

This is to advise that the above-referenced well which was directionally drilled from an Eddy County surface location to a bottomhole location in Lea County will be assigned an allowable from District I and will appear in the District I oil proration schedule.

We will keep a file for this well in both districts, but state forms, such as C-116 and C-104 should be filed with the Hobbs office.

If you have any questions concerning this, please feel free to call me.

Very truly yours,
