Louis Dreyfus Natural Gas March 13, 1997

Department of the Interior Bureau of Land Management P.O. Box 1778 Carlsbad, New Mexico 88210

In compliance with Onshore Order No. 6 and to protect public health and safety, Louis Dreyfus Natural Gas is filing the enclosed Sundry Notice to provide Hydrogen Sulfide information.

A Public Protection Plan will not be required on this site because:

1.) The 100 ppm Roe does not exceed 3,000 feet.

2.) The 100 ppm Roe does not exceed 50 feet <u>and</u> include any occupied residence, school, church, park, school bus stop, place of business, or other area where the public could reasonably be expected to frequent.

3.) The 500 ppm Roe is not greater than 50 feet.

If further information is required contact me at (915) 387-5355.

This information is correct to the best of my knowledge and expertise.

i e gli.

Respectfully submitted,

A. Cumin Smul

Tommy H. Arnwine, A.S.P. Environmental & Safety Director Texas / New Mexico
