WINSTON GAS COM #2
INDIAN BASIN MORROW GAS
EDDY CO., NM
API NO. 30-015-28633

Attached is an original and four copies of Form C-104 for the subject well. The well is currently being tested prior to adding additional perforations to the Morrow formation. Also attached is the original deviation report and one copy of the logs.

Once the well has been completed we will send you an amended Form C-104 & also Form C-122 along with a copy of the original completion report filed with the BLM.

If additional information is required, please call me at 405/270-6023.

GAYLAN G. BUNAS
