13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Oil and gas are transported by pipeline from this location to Marathon Oil Company's Indian Basin plant located at SW/NE, Sec. 23, T21S, R23E in Eddy County, New Mexico. The oil and gas is seperated and measured through allocation meters on location. The oil and gas are then combined in common pipelines with products from other leases prior to entering the plant.

14. I hereby certify that the foregoing is true and correct
