13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Oil, gas and water are transported by pipeline from this location to Marathon Oil Company's Indian Basin plant located at SW/NE, Sec. 23, T21S, R23E in Eddy County, New Mexico. The oil, gas and water are separated and measured through allocation meters on location. The oil, gas and water are then combined in common pipelines with products from other leases prior to entering the plant.
