13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

The above federal well is currently temporarily abandoned, according to your requirements.

Currently we are awaiting seismic evaluation and the drilling of two (2) new wells in the unit during the year 2001.

After the two new wells are drilled and completed an engineering evaluation will determine the need of this well. At this time Concho Resources Inc. will submit a procedure to return the well to production or to plug and abandoned the wellbore.
