- ☒ Notice of Intent
☐ Subsequent Report
☐ Final Abandonment Notice

TYPE OF ACTION

- ☐ Abandonment
☐ Recompletion
☐ Plugging Back
☐ Casing Repair
☐ Altering Casing
☒ Other Storage
☐ Change of Plans
☐ New Construction
☐ Non-Routine Fracturing
☐ Water Shut-Off
☐ Conversion to Injection
☐ Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimate date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Chevron submits for your approval the temporary storage of materials and equipment on the subject caliche well pad. Included on this site are surplus gas production units, separators, gas dehydration units and miscellaneous piping and valves. This material and equipment became surplus as a result of the recent gas compression consolidation project.

These materials are located on the existing caliche well pad and do not disturb additional surface.

Accepted for record - NMOCD

14. I hereby certify that the foregoing is true and correct
