Dear Mr. Arrant:

Attached you will find a Sundry Notice to change the well name of the proposed Witt Fed. S.C. 30-#1 in NE Section 30, T.21S., R.26E., Eddy County, New Mexico, to the Witt Federal "30" - #1 AND a copy of the 'C-102' to change the spacing unit from a lay-down north 1/2 spacing unit to an east 1/2 stand-up spacing unit as was required by Mr. Armando Lopez with the OCD in order to obtain APD approval.

This is all provided FYI to the OCD to prevent potential pro-ration unit confusion should one of the original 'C-102's find its way to your office. Call me if you have any questions.

Merry Christmas AND Happy Holidays.

Sincerely Yours,
