In re: Indian Hills Unit
Eddy County, New Mexico

Dear Mr. Hayes:

Our client, David Fasken, has acquired a farmout interest from Marathon Oil Company, et al, affecting the captioned Unit and particularly Sections 16 and 17, T-21-S, R-24-E, Eddy County, New Mexico. Mr. Fasken has made a location on the premises 2,310' FNL & 2,121' FWL of said Section 16, and will commence operations for the drilling of a Morrow Sand Test on or about June 12, 1968. Form C-101 - Application for Permit to Drill has been filed with and approved by the New Mexico Oil Conservation Commission Office at Artesia, New Mexico. This well will be drilled by David Fasken as agent for Marathon Oil Company as Unit Operator. Designation of Agent in such behalf is enclosed herewith for appropriate filing in your office. A copy of this letter together with a copy of such Designation of Agent is being furnished directly to Mr. W. A. Gressett of the Oil Conservation Commission at Artesia. A copy hereof is likewise being supplied to Mr. W. T. Butler, Land Department, Marathon Oil Company, Midland, Texas.

If you have further requirements in this behalf, kindly advise the writer and Marathon Oil Company, attention: Mr. Butler. It is the intent of this letter and the enclosure that this well be qualified as a Unit Well in the captioned Unit.

Yours truly,

WHITAKER & BROOKS

Richard S. Brooks
