13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

OXY USA Inc. requests that the following changes be approved to amend the APD that was approved 4/18/00.

1. The V-door will be to the north and the pits to the west.
2. Change the pits to 2 - 14'D X 15'W X 135'L from 2 - 10'D X 10'W X 80'L. Due to the depth of the well, the pits originally agreed upon would be to small.

14. I hereby certify that the foregoing is true and correct  
Name (Printed/Typed)
