13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

As required by ONSHORE ORDER #7, Marathon Oil Company is notifying of the method for disposing of produced water from this well. The produced water from this well will be sent, via pipeline, from the water storage tanks at the production facility to one of the wells listed under PRIMARY DISPOSAL on the attached list. If additional capacity is required, water may be sent, via pipeline (if available) or truck hauled, to any of the wells listed under SECONDARY DISPOSAL on the attached list.

14. I hereby certify that the foregoing is true and correct.
