Dear Ms Graham;

Enclosed is our cultural resource report for the following Devon Energy Production Company, L.P. project:

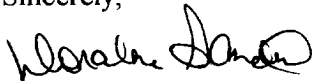

The Revelation "10 M" Federal Number 1
Proposed Well Location
Section 10, T.22S., R. 25E
Eddy County, New Mexico SNMAS-01NM-550

A records check was completed at the Bureau of Land Management, Roswell District, Carlsbad Field Office, and the State of New Mexico Archaeological Records Management Section. The record check of T. 22S., R.25E., Section 10, and within one mile revealed two previously recorded sites. During the current inventory, two isolated occurrences were encountered, recorded and all research potential exhausted in the field.

Archaeological clearance is recommended for the proposed **Revelation "10 M" Federal Number 1** well location, located in Section 10, T. 22S., R.25E, **with no stipulations.**

If you have any questions regarding the report, please do not hesitate to contact me.
Thank you.

Sincerely,

Doralene Sanders
President and Office Manager
