

Surface Use Plan

for

David H. Arrington Oil & Gas, Inc.'s

Miss Moneypenny Federal Com "14" #1

SL: 660' FSL & 1700' FWL (Unit Letter "N")
BHL: 1980' FSL & 1980' FWL (Unit Letter "K")
Section 14, T-21-S, R-22-E, N.M.P.M.
Eddy County, New Mexico

Lease Serial # NM-105543

For the Bureau's use in evaluating the above-captioned well, this plan is submitted with the Form 3160-3 APD. The purposes of this report are to:

1. describe the location of the proposed well,
2. highlight the construction and operation activities, and,
3. to provide a complete appraisal of the environmental effects and the magnitude of the necessary surface disturbances.

Location:

The subject is located approx. 40 miles northwest of Carlsbad. The attached plats show the Miss Moneypenny Fed. Com "14" #1 as it has been staked in Section 14. The "Existing Lease Road" is shown on the attached Survey Plats and Topo Map. **With submission of this Application, we are requesting approval for use of the Existing (shown in RED) and NEW (shown in GREEN) Lease Roads as shown in attached Plats and Maps.** As shown in the attached Plats, there is New Lease road proposed in Section 23 extending approximately 1435', and then approximately 734' into Section 14. All access roads will be completed for use as described below.

Existing Roads:

Driving Directions:

- From the junction of County Road 400 & County Road 401 36 miles NW of Carlsbad;
- then West 1.5 miles on County Road 400;
- then Northeast 1.3 miles on Lease Road
- then Northeast 0.4 miles to a point 1500' South of Location

Planned Access Road:

A. Length and Width:

All lease roads will be graded in compliance with BLM standards and made a uniform width of 20', including shoulders. As shown in the attached Plats, there is New Lease road proposed in Section 23 that extends 1435', and in Section 14 that extends 734'.
