13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

Marathon Oil Company is requesting a variance to the closed pit stipulation attached to the Indian Hills Unit # 35 APD.

Marathon will pad the full pit system w/ sand or hay before dropping a double 6 mil. liner.

Marathon will call Paul Evans with I&E before starting any pit reclamation.

Marthon will either let the pit dry or pull any remaining water from pit before folding the sides of the pit in. The liner will not be disturbed.
