## HUMBLE OIL &amp; REFINING COMPANY

HOUSTON 1, TEXAS

September 27, 1954

Mr. W. B. Macey  
Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Dear Mr. Macey:

Please find attached, amended Notice of Intention  
to Drill our Huapache Oil Unit Well No. 1.

You will recall that we filed the original application with your office on August 17, 1954 as an unorthodox location due to topographical conditions. Location as originally filed was 1838' from the North line and 218' from the West line of Section 35, T-23-S, R-22-E, Eddy County, New Mexico. The location has been moved slightly to better fit the terrain. The corrected location is 1857.5' from the North line and 262.40' from the West line and is actually closer to the center of the drilling unit.

You will note that the original lease name was styled as Huapache Unit No. 1. We are amending this lease name to read "Huapache Oil Unit No. 1".

Your approval of this amended location is requested in accordance with Rule 104, Paragraph "F".

Yours very truly,

HUMBLE OIL &amp; REFINING COMPANY
