Dear Sir:

Please accept my apology for the delay in my approval and distribution of your amended location as set out on the Commission's Form C-101, Notice of Intention to Drill, for the Humble Oil & Refining Company's Huapache Oil Unit Well No. 1, SW/SE, Section 35-23S-22E.

I have just found these forms in our file and noticed that they had not been approved which was an oversight on our part.

Yours very truly,

OIL CONSERVATION COMMISSION
