Oil Conservation Commission
Hobbs, New Mexico.

Dear Sir:

Please find enclosed forms No. C-103, Results of Abandonment and No. C-105 Well record and Log.

I Believe you will find everything in order with the exception that I am somewhat late in sending these final forms. It was through ignorance of the regulations I suppose that this final business slipped my mind and I thought no more about it until the time came to cancell or renew my bond.

Will you please attend to the enclosed forms as soon as possible and as your attorney Mr. Livingston to advise, Sparks and Barron, 107 West Wall St., Midland, Texas, that bond is now eligible for cancellation.

I am sorry to have put you to this extra trouble and assure you that in the future I shall find out more about these forms.

Thanking you for your attention to the above and for you kind attention in the other matters about the well, I am,

Yours very truly,

E. Paul Moran
