Dear Sir:

We are in receipt of copies of C-104 on subject well which were approved by you on 11-10-65. These copies had "No. 1" marked out in red pencil in the lease name. Inasmuch as there are two units on this lease, it is Gulf's desire that subject lease and well number bear the designation as shown on the C-104 which we have prepared and attach hereto.

Your letter of 11-3-65 concerning this lease advised the changes being made in the designations and if we were not in agreement to file new form C-104 showing the changes desired. We were in agreement with your designation of "White City Penn Gas Com No. 2, Well No. 2, Unit G, Section 20-24S-26E, Eddy County, New Mexico.

We will appreciate your approving the attached forms.

Yours very truly,

FOR E. D. BORLAND
Area Production Manager
