

Bottom

- 2499 Light gray limestone and light gray sandstone.
About 50-50.
- 2502 Gray sandy limestone. Drill very fine.
- 2508 Compact, slightly sandy, gray limestone.
- 2515 " " " "
- 2518 Hard, compact, dark gray almost black
limestone. Under-reamed and set 6 1/4" casing.
- 2520 Hard black limestone.
- 2532 Hard gray limestone.
- 2536 Hard, black and gray limestone mixed.
- 2544 Hard dark gray limestone.
- 2551 Hard, dark gray sandy limestone.
- 2555 Hard light gray limestone.
- 2565 Medium grained, hard, sandstone.
- 2576 Medium grained, hard, gray sandstone, mixed
with gray limestone.
- 2580 Hard, black calcareous sandstone. Fine grained.
- 2586 Same as previous sample. Some gray calcareous
sandstone.
- 2591 Dark gray sandy shale.
- 2596 Dark gray sandy shale and black calcareous sand-
stone. Very fine grained.
- 2599 Gray shale and gray limestone.
- 2612 Gray shale and gray, fine grained sandstone.
Soft.
- 2624 Medium grained, hard, gray sandstone.
- 2629 Hard, compact, light gray limestone.
- 2638 Compact, light gray limestone mixed with
black hard sandstone. About 50-50.
- 2645 Light gray limestone with some slightly sandy
black limestone.
- 2650 Hard, medium grained, slightly calcareous,
gray sandstone.
- 2660 Dark gray compact limestone.
- 2665 Same as previous sample with some light gray,
almost white, shale.
- 2669 Light gray shale and light gray fine grained
sandstone. About 50-50.
- 2680 Fine grained, light gray sandstone, some shale
and particles of blue gray limestone.
- 2685 Gray, compact, limestone.
- 2695 Very fine grained gray sandstone.
- 2705 Light gray sandy limestone.
- 2718 Very fine grained sandstone. Salt water at 2708
to 2712. Hole gradually filled to 1000 feet.
- 2728 Fine, light gray, calcareous sandstone.
- 2740 Light gray slightly sandy limestone.
- 2750 Hard, compact gray limestone.
- 2753 Dark gray calcareous sandstone.
- 2786 Hard gray limestone.
- 2792 Dark gray, compact, limestone.
- 2800 Gray limestone with some gray shale.
- 2812 Sandy gray shale.
- 2817 Sandy gray shale with some gray limestone.
- 2828 Dark gray limestone.
