

Bottom.

270 Potash and Anhydrite--Potash about 75%
 277 Anhydrite and brown limestone cavings.
 285 Anhydrite and Potash about 50-50.
 292 Anhydrite 75%; Red shale 25%.
 300 Same as previous sample.
 306 Anhydrite and potash about 50-50.
 313 Potash 75%; Anhydrite 25%.
 322 Anhydrite with some red shale.
 328 Same as previous sample--small amount of potash.
 339 Anhydrite 80%; Potash about 20%.
 346 Anhydrite 75%; Potash 25%; some red shale.
 353 Potash 90%; Anhydrite 10%.
 362 Potash
 375 Potash--- some fine grained grayish brown sandstone.
 388 Anhydrite and some red shale (8 5/8" set at 390')
 395 Anhydrite and white limestone--- limestone
 predominating-- some red shale.
 505 Salt (Top salt 395. No break to 505 ft.)
 538 Hard, compact white limestone.
 545 White limestone with some anhydrite.
 555 White limestone with anhydrite, about 50-50
 561 White limestone with trace of anhydrite.
 578 White limestone with anhydrite--trace of salt.
 628 Salt.
 1090 Anhydrite.
 1106 Anhydrite with particles of salt.
 1294 White and yellowish white rock salt.
 1310 Yellow anhydrite mixed with some salt.
 1320 Anhydrite.
 1340 Yellowish white limestone with some anhydrite.
 1355 Mostly anhydrite-- some yellowish white and brown
 limestone.
 1360 Anhydrite.
 1367 Anhydrite.
 1390 Anhydrite with a little white limestone.
 1705 Anhydrite-- Color varies from white to blue-white.
 1715 Anhydrite and black limestone-- about 50-50.
 1719 Anhydrite-- blue-white
 1741 Blue-black limestone with some anhydrite.
 1774 Blue-black limestone with anhydrite-- about 50-50.
 1790 Anhydrite.
 1805 Anhydrite-- trace black limestone.
 Top Delaware Limestone 1805.
 1814 Hard black and brown limestone-- black limestone
 predominating.
 1818 Hard black limestone.
 1821 Hard, compact brown limestone.
 1825 Very hard grayish-brown limestone.
 1839 Gray sandy limestone-- very hard and sharp.
 1844 Very sandy gray limestone. Hard and sharp. Sand
 predominating.

Very sandy limestone. Hard and gray.	1894
Very sandy limestone. Very hard and gray.	1895
Very hard, grayish-brown limestone.	1896
Hard, compact brown limestone.	1897
Hard black limestone.	1898
Crystalline limestone.	1899
Hard black and brown limestone--black limestone.	1900
For dark brown limestone 1899.	1901
Dark limestone--trace black limestone.	1902
Anhydrite.	1903
Blue-black limestone with anhydrite--about 50-55.	1904
Blue-black limestone with some gray limestone.	1905
Anhydrite--blue-white.	1906
Anhydrite and black limestone--about 50-55.	1907
Anhydrite--Color varies from white to blue-white.	1908
Anhydrite with a little white limestone.	1909
Anhydrite.	1910
Yellowish white limestone with some anhydrite.	1911
Anhydrite.	1912
Yellowish white limestone mixed with some white.	1913
White and yellowish white rock with.	1914
Anhydrite with particles of white.	1915
Anhydrite.	1916
White limestone with trace of anhydrite.	1917
White limestone with anhydrite, about 50-55.	1918
White limestone with some anhydrite.	1919
White limestone with anhydrite--trace of white.	1920
White limestone with anhydrite--trace of white.	1921
White limestone with anhydrite--trace of white.	1922
White limestone with anhydrite--trace of white.	1923
White limestone with anhydrite--trace of white.	1924
White limestone with anhydrite--trace of white.	1925
White limestone with anhydrite--trace of white.	1926
White limestone with anhydrite--trace of white.	1927
White limestone with anhydrite--trace of white.	1928
White limestone with anhydrite--trace of white.	1929
White limestone with anhydrite--trace of white.	1930
White limestone with anhydrite--trace of white.	1931
White limestone with anhydrite--trace of white.	1932
White limestone with anhydrite--trace of white.	1933
White limestone with anhydrite--trace of white.	1934
White limestone with anhydrite--trace of white.	1935
White limestone with anhydrite--trace of white.	1936
White limestone with anhydrite--trace of white.	1937
White limestone with anhydrite--trace of white.	1938
White limestone with anhydrite--trace of white.	1939
White limestone with anhydrite--trace of white.	1940
White limestone with anhydrite--trace of white.	1941
White limestone with anhydrite--trace of white.	1942
White limestone with anhydrite--trace of white.	1943
White limestone with anhydrite--trace of white.	1944
White limestone with anhydrite--trace of white.	1945
White limestone with anhydrite--trace of white.	1946
White limestone with anhydrite--trace of white.	1947
White limestone with anhydrite--trace of white.	1948
White limestone with anhydrite--trace of white.	1949
White limestone with anhydrite--trace of white.	1950
White limestone with anhydrite--trace of white.	1951
White limestone with anhydrite--trace of white.	1952
White limestone with anhydrite--trace of white.	1953
White limestone with anhydrite--trace of white.	1954
White limestone with anhydrite--trace of white.	1955
White limestone with anhydrite--trace of white.	1956
White limestone with anhydrite--trace of white.	1957
White limestone with anhydrite--trace of white.	1958
White limestone with anhydrite--trace of white.	1959
White limestone with anhydrite--trace of white.	1960
White limestone with anhydrite--trace of white.	1961
White limestone with anhydrite--trace of white.	1962
White limestone with anhydrite--trace of white.	1963
White limestone with anhydrite--trace of white.	1964
White limestone with anhydrite--trace of white.	1965
White limestone with anhydrite--trace of white.	1966
White limestone with anhydrite--trace of white.	1967
White limestone with anhydrite--trace of white.	1968
White limestone with anhydrite--trace of white.	1969
White limestone with anhydrite--trace of white.	1970
White limestone with anhydrite--trace of white.	1971
White limestone with anhydrite--trace of white.	1972
White limestone with anhydrite--trace of white.	1973
White limestone with anhydrite--trace of white.	1974
White limestone with anhydrite--trace of white.	1975
White limestone with anhydrite--trace of white.	1976
White limestone with anhydrite--trace of white.	1977
White limestone with anhydrite--trace of white.	1978
White limestone with anhydrite--trace of white.	1979
White limestone with anhydrite--trace of white.	1980
White limestone with anhydrite--trace of white.	1981
White limestone with anhydrite--trace of white.	1982
White limestone with anhydrite--trace of white.	1983
White limestone with anhydrite--trace of white.	1984
White limestone with anhydrite--trace of white.	1985
White limestone with anhydrite--trace of white.	1986
White limestone with anhydrite--trace of white.	1987
White limestone with anhydrite--trace of white.	1988
White limestone with anhydrite--trace of white.	1989
White limestone with anhydrite--trace of white.	1990
White limestone with anhydrite--trace of white.	1991
White limestone with anhydrite--trace of white.	1992
White limestone with anhydrite--trace of white.	1993
White limestone with anhydrite--trace of white.	1994
White limestone with anhydrite--trace of white.	1995
White limestone with anhydrite--trace of white.	1996
White limestone with anhydrite--trace of white.	1997
White limestone with anhydrite--trace of white.	1998
White limestone with anhydrite--trace of white.	1999
White limestone with anhydrite--trace of white.	2000
