

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

RECEIVED
AUG 1 1949
Oil Cons. Comm.
Artesia Office

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the implementation of the proposed changes. It details the steps involved in the process, from the initial planning stage to the final execution. This section also addresses the potential challenges that may arise during the implementation phase and provides strategies to overcome them.

3. The third part of the document discusses the impact of the proposed changes on the organization's overall performance. It highlights the expected benefits, such as increased efficiency and cost savings, and provides a detailed analysis of the potential risks. This section also includes a comparison of the current state of the organization with the proposed changes, illustrating the expected improvements.

4. The fourth part of the document provides a summary of the key findings and conclusions. It reiterates the importance of maintaining accurate records and the need for careful implementation. This section also includes a list of recommendations for future actions, ensuring that the organization remains committed to transparency and accountability.

5. The fifth part of the document discusses the role of the management team in the implementation of the proposed changes. It emphasizes the importance of clear communication and collaboration between all stakeholders. This section also outlines the responsibilities of each team member, ensuring that everyone is aware of their role and the expected outcomes.

6. The sixth part of the document provides a detailed analysis of the financial implications of the proposed changes. It includes a breakdown of the costs and benefits, as well as a comparison of the current financial state with the proposed changes. This section also includes a list of recommendations for future financial actions, ensuring that the organization remains financially sound.

7. The seventh part of the document discusses the impact of the proposed changes on the organization's reputation. It highlights the expected benefits, such as increased trust and credibility, and provides a detailed analysis of the potential risks. This section also includes a comparison of the current state of the organization with the proposed changes, illustrating the expected improvements.

8. The eighth part of the document provides a summary of the key findings and conclusions. It reiterates the importance of maintaining accurate records and the need for careful implementation. This section also includes a list of recommendations for future actions, ensuring that the organization remains committed to transparency and accountability.
