Dear Rose:

I am enclosing forms on the completion of the Ford Chapman well in Section 1-24-27, #1 State. I am going to suggest that they change the well in Section 2 to read State "2" #1, in order to avoid confusion on these leases, since there are so many Eddy County wells listed together on one unit as #1-2.

I have sent enough forms so that 2 copies of each approved form will be returned to Ford Chapman at Pecos. I will be handling this account, and if there is anything you need, or question, please call or write me, and I will do my best to get it for you.

Thanks a lot for your help. We will file Form C-123 along with the C-105.

Cordially,

Helen Smith
