the *Journal of the American Medical Association* (JAMA) and the *New England Journal of Medicine* (NEJM) are the most widely cited journals in the field of medicine. The *JAMA* is published by the American Medical Association (AMA) and the *NEJM* is published by the Massachusetts Medical Society. Both journals are known for their high standards of scientific rigor and their focus on clinical research. The *JAMA* is a weekly journal, while the *NEJM* is published twice a week. Both journals are available in print and online formats. The *JAMA* is a member of the American Medical Association, while the *NEJM* is a member of the Massachusetts Medical Society. Both journals are highly respected in the medical community and are considered essential reading for physicians and researchers alike.
