DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Well standing as of June 23, 1958. Permission is hereby requested to place this well in a temporarily abandoned status pending an evaluation as to the possibilities of further completion efforts. The well is properly capped with well head control equipment and plugs have been placed in such manner as to prevent the intrusion of any foreign matter into the well.

See the attached sheet for detailed account of work performed from June 1, 1958 through June 18, 1958.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
