Gentlemen:

This is to notify you that after inspecting the site of the above captioned well you still have not placed the location on the well marker. You were notified to this effect in a letter of September 28, 1959.

Also, in a letter of August 17, 1959, we requested that you submit three (3) additional copies of form C-105 (Well Log) as we received only three (3) copies of this form.

Please notify this office as soon as this work has been completed so that your plugging report may be approved.

Very truly yours,

OIL CONSERVATION COMMISSION
