Attention Mr. David Jacobs

Gentlemen:

This will acknowledge receipt of your  
letter of February 20th.

I regret to say that the information  
in this office is not conclusive regarding the  
time when the W. M. Keck Community Well No. 1,  
SW1/4NW1/4, Sec. 33, T. 25 S., R. 28 E., was finally  
plugged and abandoned. I am writing to Mr. James  
P. Sullivan, State Oil and Gas Inspector in this  
connection. As soon as I hear from him, I will  
advise you as to the date your liability  
terminated.

Very truly yours,

E. H. Wells,  
State Geologist.
