Mr. A. L. Porter, Jr.
Proration Manager
New Mexico Oil Conservation Commission
P. O. Box 2045
Hobbs, New Mexico

Dear Sir:

Recently, we submitted Form C-104 requesting an allowable for our Federal-J. F. Harrison No. 1 well in Section 12, Township 25-S, Range 30-E, Eddy County.

After discussing this request with Mr. L. A. Hanson, rather than have an allowable assigned the well on which we plan to work-over, we hereby request a supplement to the proration schedule for 800 barrels to clear storage of distillate produced while testing.

Yours very truly,

RICHARDSON & BASS
