17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

After a correlation log was run on this well it was determined that the upper Delaware Sand would not be commercial and therefore the well was left producing out of the lower Delaware Sand as it previously had been.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
