RE: Temporarily Abandoned Wells

Gentlemen:

TA wells for Eastland Oil Company should be as follows:

Malaga Delaware Unit

TR 2-1-J-7-24-29  
TR 10-2-P-12-24-28  
TR 6-1-0-13-24-28  
TR 13-3-K-7-24-29

Laguna Grande Unit No. 1-I-28-23-29

All these wells will be put back on production with the exception of Malaga Unit TR 2-1 & TR 10-2. TR 2-1 and TR 10-2 were tested OK 7-19-89 and witnessed by BLM representative, and were tested again OK 8-24-89 and witnessed by a OCD representative. We request that these two wells be approved to "TA" for five years.

Yours truly,

THE EASTLAND OIL COMPANY

Travis Reed  
Production Superintendent
