**Re: Plugging responsibility for Continental-
State Well No. 1, located 660 feet from
the North and West lines of Section 32,
Township 23 South, Range 31 East, Eddy
County, New Mexico**

Dear Sir:

**Inasmuch as the Atomic Energy Commission has assumed
the responsibility for plugging the subject well after its use
for certain tests in connection with Project Gnome, you are
hereby relieved of any obligation to plug the subject well,
other than in the manner previously agreed by you with the
Atomic Energy Commission.**

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**
